

BELLA GRACE

2022 Estate Bella Rosé Amador County

Blend:	60% Estate Grenache 40% Estate Mourvèdre
Vineyards:	A blend of two estate Rhone varietals that originated out of a “happy mistake” on our first Bella Rose vintage. The 2022 harvest was extremely hot through August, leading us to harvest the Grenache under the stars on the night of September 6th, 2022. After the early high temps, the weather cooled and delayed the harvesting of the Mourvèdre into the second week of October of 2022.
Winemaking :	Picked before their red counterparts at lower brix levels, they were fermented and aged separately. With minimal skin contact, loads of dry ice, and a whole cluster press process, these two hand-crafted Rhone rosés provide the perfect balance of acidity, crispness, and body.
pH:	3.48
TA:	6.5
ABV:	13.4%
Harvest Date:	Grenahce: 9/26/22 Mourvèdre: 10/10/22
Cases Produced:	540
Tasting Notes:	The pale pink color is the opening highlight of this perennial favorite. The nose has hints of minerality and light cranberry. The flavor is crisp and refreshing, filled with raspberry and cranberry flavors. The acid is well-balanced and the finish is long and juicy.
Pairing Suggestions:	Fruit Salads, Salmon, Soft Cheeses, Blue Cheeses, Lamb, and our favorite: Charcuterie
