

BEST OF CALIFORNIA | DOUBLE GOLD | 99 POINTS

Vineyards:

The 2024 growing season brought remarkably mild weather, with only a handful of days reaching triple digits. Our vines thrived in these favorable conditions, producing lush canopies and beautifully balanced clusters.

This Estate Rosé is crafted from certified sustainable fruit grown on our Plymouth estate vineyard:

- 60% Grenache
- 40% Mourvèdre

Winemaking & Aging :

The Grenache and Mourvèdre were hand-harvested earlier than their red counterparts at lower Brix levels to preserve natural acidity. Each lot was whole-cluster pressed with minimal skin contact and handled separately through fermentation and aging. Generous use of dry ice protected aromatics throughout. The result is a Rhône-style rosé that delivers a precise balance of acidity, crispness, and body.

Tasting Notes:

2024 Bella Grace Bella Rosé-Best of California Rosé at the State Fair, Best Rosé at Orange County, Double Gold at Foothills-opens with a vibrant nose of strawberry, red cherry, watermelon, and rose petals. Bright fruit bursts strawberry, watermelon, blood orange-hit the palate, with lush, lingering acid that's so addictive you'll crave every sip.

Pairing Suggestions:

Perfect with summer salads, grilled seafood, Mediterranean dishes, or spicy Asian fare.

Accolades

Best of California, Double Gold, 99 Points

- California State Fair
